Oquaga Lake House

(All Ages) Since 1869, six generations of the Scott Family have been providing vacations on Beautiful Oquaga Lake, making Scott's Family Resort one of the most enjoyable destinations in Upstate New York. As you make your way through the main entrance, you'll immediately get a sense of the rich history behind the name. Rustic buildings, lobbies adorned with antique furniture, modest, comfortable guestrooms and a unique assortment of facilities, all combining to bring up images of a bygone era. Of course, elements of the modern world can still be found here, but what truly sets them apart is the unique blend of recreation, relaxation and old-fashioned charm, along with the kind of warm hospitality that only a family can deliver. Trip includes bus transportation, 4 days - 3 nights, 9 meals, and all of the activities at the Lake except a power golf cart, the driving range, and beer and wine.
